

## Specifications

|                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Frame</b>             | <ul style="list-style-type: none"> <li>• Panels: 3/4" 45# particleboard that is laminated (TFL or HPL) on both sides, based on specification.</li> <li>• All exposed edges are 3mm PVC.</li> <li>• Support legs are fully welded.</li> <li>• Uprights: 14 gauge - 1.5" x 1.5"</li> <li>• Cross bars: 16 gauge - 1.25" x 1.25"</li> <li>• Attachment plate: 3" x 1/8" flat steel</li> <li>• Casters: 4" - Heavy duty - Soft Tread</li> <li>• Frame Finish: Electrostatically applied powdercoat. Applied to be 2-3 mils in thickness and provide maximum chemical solvent and UV resistance. Scratch resistance to meet pencil hardness test of 2H.</li> <li>• Grommets: Standard for all 3 items.</li> <li>• Transaction Counter: Standard on desks only</li> </ul> |
| <b>Edgebanding</b>       | <p>Machine applied using PUR adhesive (moisture - curing, polyurethane, containing no (VOC's). All exposed edges are 3mm PVC.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Standard Finishes</b> | <p><b>CFC Educational:</b> Woodgrains - Solids - Nebulas - Patterns<br/> <b>CFC Metal:</b> (PL) Platinum &amp; (BL) Black are standard. Premium Finishes are available.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Standard Features</b> | <p>(P) Hanging Ped - Box/File      (D) Pencil Drawer<br/> <i>All items ship fully assembled</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Item Code    | Description           | Size               | Notes             | List     |
|--------------|-----------------------|--------------------|-------------------|----------|
| 855-DXC-372T | CIRC DESK (STRAIGHT)  | 30 X 72 X DESK 30" | TRANSACTION (36") | \$7,700  |
