

6000T Series - Steel Base Desk

Model: 525

The 6000 T Series provides a sturdy base with an attractive worksurface.

This product features Corilam's own **EASY ACCESS TOP** for cable management. The nylon brush seal allows cables to pass freely from the worksurface into the wire trough. The unit is also available **without** wire management and/or modesty panel.

Standard Sizes:

Depth: 20", 24", 30"

Width: 36", 42", 48", 60", 72"

Height: 20-36" Adjustable, in 2" increments

Finishes and Specifications

Frame: Fully unitized frame, wire welded, 14 gauge tubular steel construction with 1-1/2" square tubing, butt welded to form a solid rectangular support frame under top surface. Frame is finished with electrostatically applied powdercoat 2-3 mils in thickness. Scratch resistance to meet 2H or better.

Standard Color: Black or Platinum **Optional Colors:** Gray, Almond (Additional charges for quantities less than 25)

Adjustable Legs: 1-1/2" 14 guage steel tubing with a telescopic insert of 16 guage 1-1/4" steel tubing. Legs are adjustable on 2" increments to allow height adjustment from 20-36". Legs lock with threaded insert screw. Legs equipped with a screw type guide.

Worksurface: Manufactured using 1" thick, 45lb. industrial grade particleboard core. Exterior surface is high pressure laminate and is applied to core with water resistant adhesive containing on VOC's. A backer sheet is applied to provide balanced construction.

Wire Management: Manufactured of 18 gauge powder coated steel. Trough is mounted to underside of the worksurface and to the frame. **Easy Access Top** is fully accessible through a flipper lid with a brush guard to allow cable passage.

Edgebanding: Machine applied using a moisture-curing, polyurethane adhesive, containing no VOC's.

Edge Options: Roll Edge - Standard, Comfort Edge, 3mm PVC

Several options are available for this product, such as:

•Keyboard/Mouse/Pencil Tray •Modesty Panel •CPU Holder •Backpack Hanger & Cross Bar
