

Transformer 2" Tubular T base series offers two separate height ranges: approximately 8" and approximately 11-7/8". The shorter one covers the sit down work height range including ADA requirements. The taller one includes sit down to stand up work heights. Adjustment is easy. Simply set your foot on the base and lift the surface. The mechanism will automatically adjust to the next level. To lower the surface, lift it to its highest level. It will release and slowly descend to the lowest position. No locks, no levers, no cranks, no cylinders, no pins, etc. Base heights are numbered for easy leveling. Gibraltar's Transformer Series offers one of the most user friendly, multipurpose, and cost effective lines of adjustable height bases and mechanisms available today.

Sitting Height	
Model #	Dimensions
641-X036	20" D x 36" W x 25-3/4" -33-3/4"
641-X048	20" D x 48" W x 25-3/4" -33-3/4"
641-X060	20" D x 60" W x 25-3/4" -33-3/4"
641-X072	20" D x 72" W x 25-3/4" -33-3/4"
641-X236	24" D x 36" W x 25-3/4" -33-3/4"
