

8000 Series - Steel Base Desk

Model: 526

This *Corilam Classic* offers **maximum** durability.

A functional steel base desk that offers the decorative side panels for added classroom appeal. The grommets in the work surface help maximize wire management when you don't want the **Easy Access Top** of the similar Model 522.

Standard Sizes:

Depth: 20", 30"

Width: 36", 42", 48", 60", 72"

Height: 30"

Finishes and Specifications

Frame: Fully unitized frame, wire welded, 16 gauge tubular steel construction with 1-1/4" square tubing, butt welded. Cross supports are connected with screws to form a solid rectangular support frame under top surface. End frames include laminate insert panels. Heavy duty floor levelers.

Frame Finish: Frame to be black with electrostatically applied powdercoat. All exposed metal parts to be prepared for coating with a five stage wash that includes iron phosphate bath and acidic sealer for rust inhibitor. Applied polyester powdercoat to be 2-3 mils in thickness and provide maximum chemical, solvent, and UV resistance. Scratch resistance of finish to meet pencil hardness test of 2H or better.

Standard Color: Black **Optional Colors:** Platinum, Gray, Almond (Additional charges for quantities less than 25)

Worksurface: Manufactured using 1" thick, 45lb. industrial grade particleboard. Standard - Laminated with Wilsonart high pressure laminate of 0.035 thickness with a balanced backing sheet. All exposed edges are sealed. Glue line is moisture and heat resistant PVA containing no VOC's.

Edgebanding: Machine applied using a moisture-curing, polyurethane adhesive, containing no VOC's.

Edge Options: Roll Edge - Standard, Comfort Edge, 3mm PVC

Model Features: *Easy Access Underside* wire management with wire tray underneath and grommets on both surface and wire tray ends.
