

Circulation Desks

Model: 815

CFC Educational has been producing quality laminated furniture for over 40 years. We use quality materials, solid engineering techniques and an experienced workforce to create the library and media center that maximizes your space and your needs. Every media center needs a quality Circulation Desk to serve as the center of activity in that space.

DURABLE

CFC Educational is an expert when it comes to laminated products. We combine thermofused melamine, High Pressure laminate, industrial grade particleboard and high grade adhesive to produce our quality construction. Impact resistant edges are key to offering a product that will last through time. We offer a 12 year limited Warranty against defects in material and workmanship.

FUNCTIONAL

CFC Educational offers Modular Circulation Desk Stations to complement our bookcases, cylinder tables, computer workstations and study carrels. As the needs of today's students are continually changing, our furniture will be able to accommodate those changes. It is all engineered to move around your space when needed to create a full learning environment.

ATTRACTIVE

CFC Educational offers 10 standard finishes that include a mixture of woodgrains, abstracts and solids. We purchase directly from all major laminate companies so we can offer over 200 additional finishes, per your specification.

Specifications

Case: Constructed using glued dowels, bolts and $\frac{3}{4}$ " 45 lb. particle board that is laminated with thermofused melamine on all sides. Toe kicks are 4" in height. Sides are bored with $\frac{1}{4}$ " hold on 1-1/4" centers for adjustability.

Drawers: Powder coated steel sides, 5/8" thick thermofused melamine bottoms and epoxy coated slides provide a 100 lb capacity. Fronts are field adjustable.

Levelers: Heavy duty, adjustable levelers with metal brackets are standard.

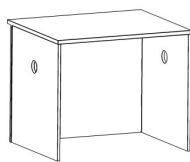

Wire Management: All units are standard with 3" grommets that allow wires to flow underneath, from one to another. Plastic wire troughs are also standard to help organization.

Hinges: Concealed European hinges are standard.

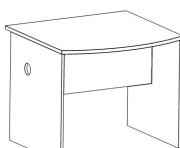

Shelves: Shelving is 1" thick with specified color on both sides. Includes clear, thermoplastic shelf pins with double tip inserts and pin clips to secure shelves firmly in place. Pin rated at 300 lb. capacity.
