Musical Equipment Storage Solutions

Durable storage solutions that protect your instruments

Music is an important part of your curriculum, so we have created music storage systems that organize and protect your students' valuable instruments.

Our products are durable and guard against heat, moisture, and vandalism while lasting for years. Each of our designs are rigorously tested for ease of use because no matter how secure it may be, if it is not being used there is no protection.

Extensive line of storage systems

- Individual compartments designed for orchestra and band instruments
- Robe / uniform / hat storage
- Portable teachers' cabinets
- Folio cabinets
- Bookcases

Cabinets designed to protect your investment

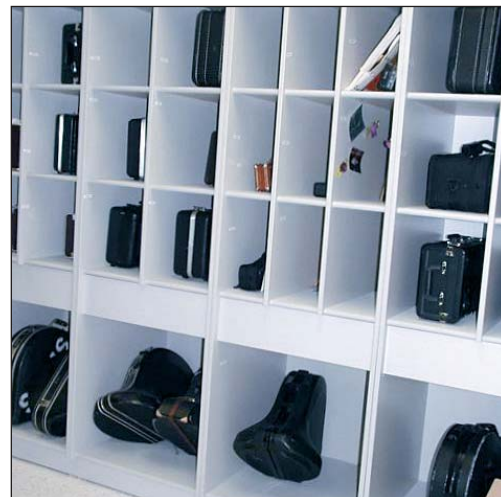

- Strong dowel construction reinforced with inconspicuous steel brackets
- Full 3/4" thick laminated cabinet walls, tops, and backs
- Tamper proof industrial hinges
- Multiple door options including full height or compartment steel, wire grill doors, or laminate doors

The difference is our durability

- Textured, thermoplastic alloy (Kydex®) is proven to be an exceptional surface with high impact resistance and excellent wear characteristics
- Corilam's 180° fully radiused shelf edge is a superior design that protects instruments and cases from the potential damage caused by sharp edges

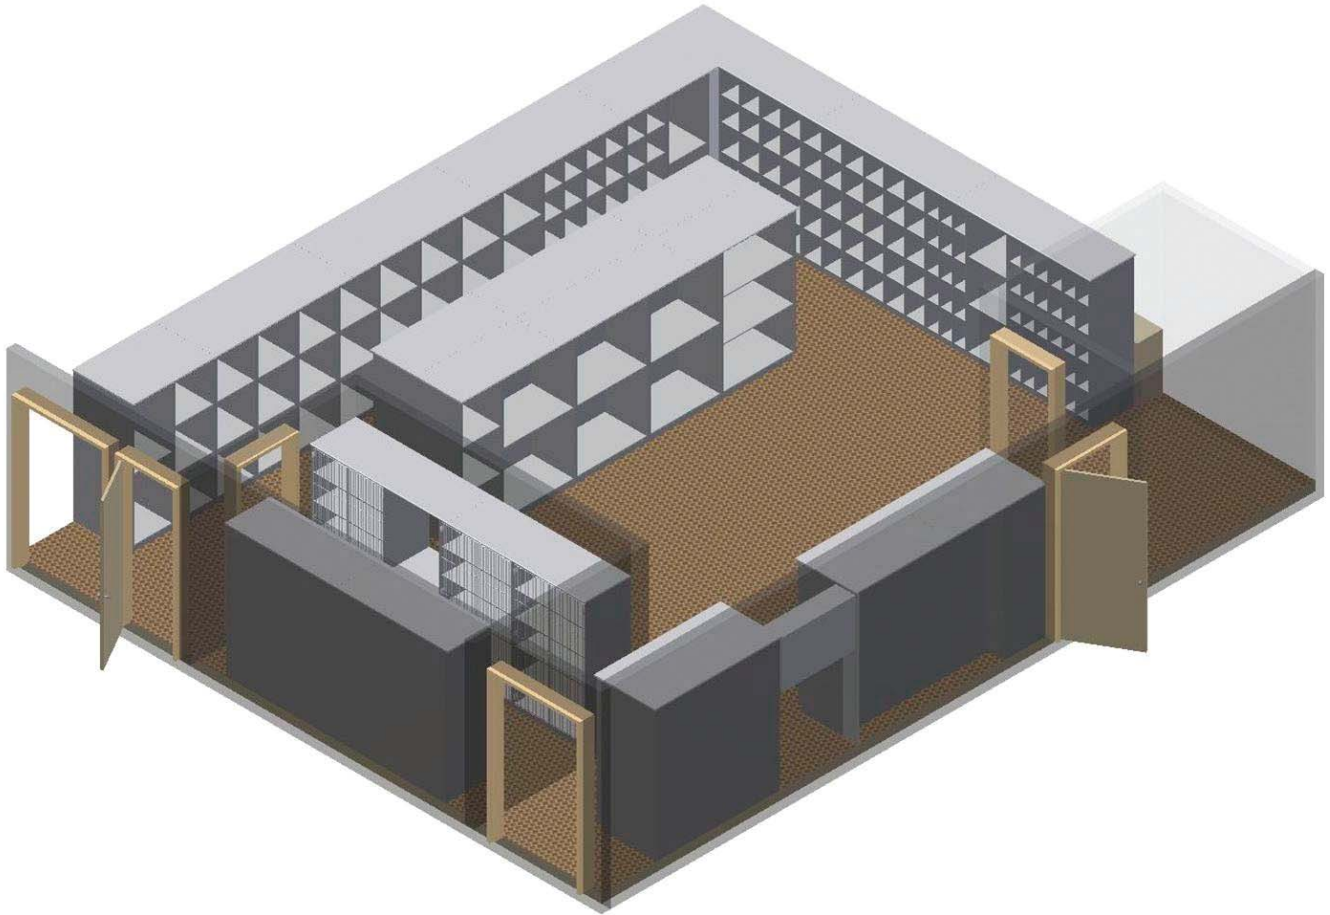

Your installation guarantee

- Storage units are available in ten (10) stock laminate colors and a variety of custom laminate colors
- All cabinets are factory assembled and are installed by factory authorized dealers
- Fillers and trim accessories are available to provide a professional, finished appearance
- A wide variety of laminated tops are available to provide additional overhead storage space for empty cases and accessories

Layout and Design

Corilam can help you create the best possible layout that maximizes space, budget and ease of use. Our engineers have over 20 years experience and utilize the latest 3D CAD software to ensure that what we create for you works at your school.

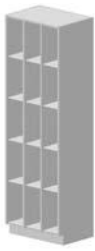

Configurations

Choose from our extensive line of cabinet configurations designed for your specific instrument storage needs. We can work with you to design a custom solution if you have special needs. Ask for our planning guide to assist you in analyzing your space and your requirements.

Warranty

Corilam Fabricating Company Inc. hereby warrants that the music storage casework manufactured by it shall be free of all substantial defects in original material and workmanship under normal use in standard industry conditions for a period of two (2) years from the date of purchase. Kydex® shelves are warranted for a period of ten (10) years. Within the specified period of this warranty, Corilam agrees at our option, to repair or replace subject products which prove to be defective in material or workmanship, provided that the buyer gives written notice within thirty (30) days of all such claimed defects. The liability under warranty shall not exceed the original purchase price of defective material. This warranty does not apply to damage resulting from shipment, storage, alteration, or misuse of product, or failure to provide reasonable and necessary maintenance.
